## Grand Canyon History Tidbit by Kim Besom

### Grand Canyon Photography

Grand Canyon and cameras just naturally go together. To commemorate **National Camera Day**, a series of images depicting a ‘perfect shot’ of someone else getting a ‘perfect shot’ in the **grandest of places**:

#17794: GUESTS OF W.W. BASS NEAR BASS CAMP, CIRCA 1900

#17524: BARBARA MCKEE ON THE NORTH RIM TAKING A PHOTO, 1929

#03827: NBC-TV GROUP FILMING AT PLATEAU POINT, OCTOBER 1955

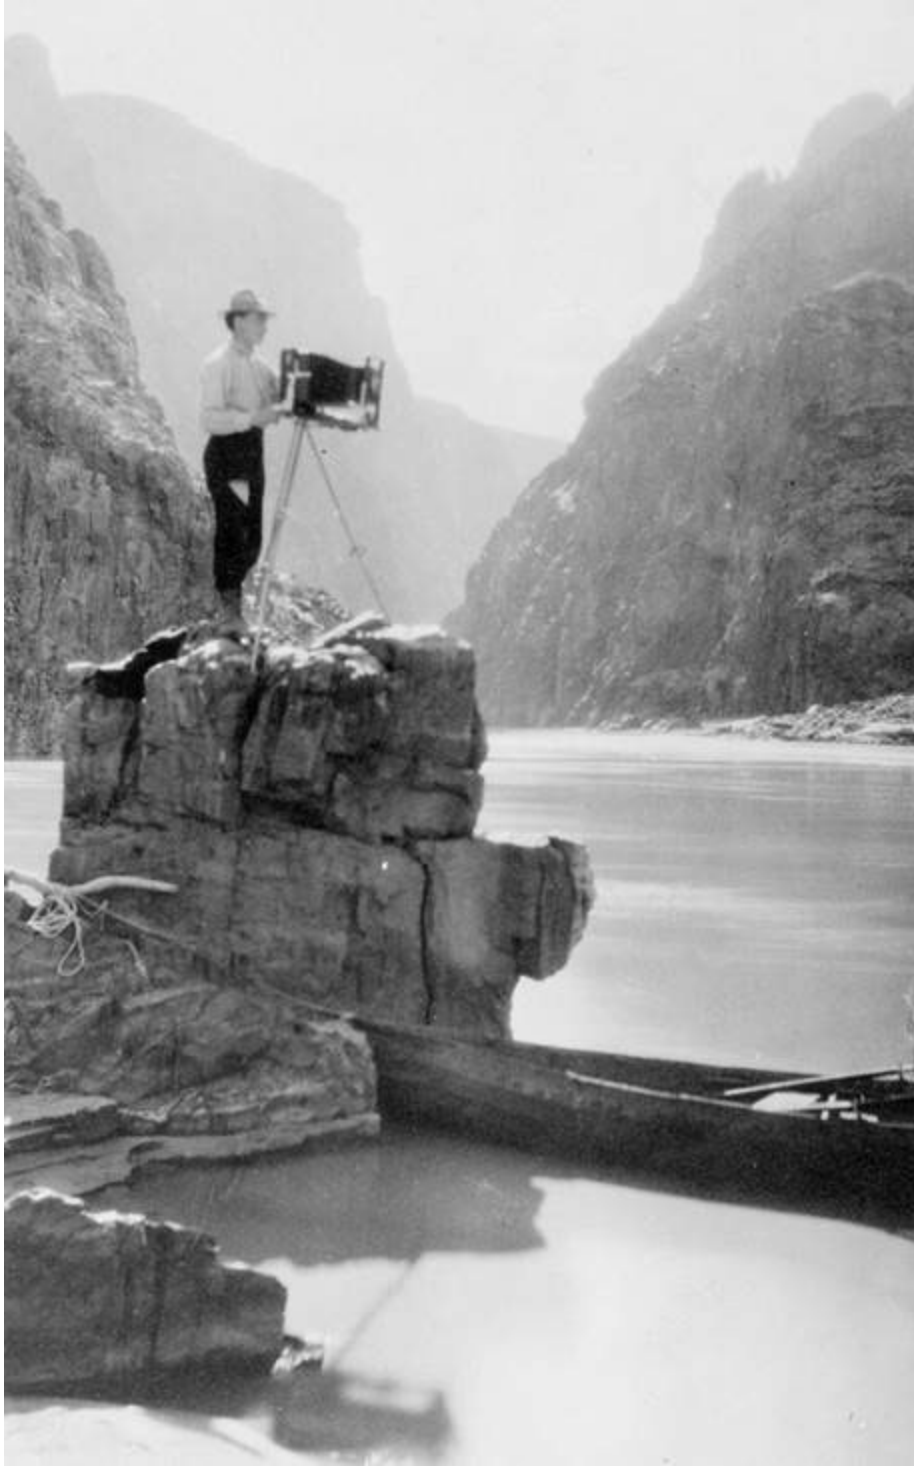

And no Grand Canyon photo essay would be complete without some **Kolb Brother** images.

#17185B: PROMOTIONAL PHOTO OF ELLSWORTH KOLB HOLDING A GRAFLEX CAMERA WHILE SUSPENDED MID-AIR BY A ROPE BEING HELD BY EMERY, CIRCA 1908.

#16681: EMERY KOLB WITH ROPE & CAMERA AT MOUTH OF CAVE, POSSIBLY CHEYAVA, CIRCA 1908

#15754: ELLSWORTH KOLB TAKING A PHOTO AT THE RIVER, CIRCA 1910

#16411: MULES TAKING PHOTOS OF EACH OTHER, CIRCA 1910. KOLB PHOTO.
