Hello Robert Lauzon,

Congratulations. The Arizona Historical Society's Board of Director's met today and voted to certify the Grand Canyon Historical Society as a Tier-2 Arizona Historical Society (AHS) 2024 Certified Historical Institution (CHI).

The AHS CHI program is based on best practices as defined by the American Association for State and Local History and the American Alliance of Museums. Certification is acknowledgement that the Grand Canyon Historical Society meets or exceeds these best practices.

2024 is looking to be a fun year for the CHI program. We are looking at how we can amplify your social media posts through the AHS member network and have plans to resume regional workshops.

We encourage you to apply for the AHS Small Grants Program in June. The application period will open on June 1 and will close on July 15. I'll be sending out reminders in May.

We are looking forward to working with Grand Canyon Historical Society in 2024.

Thank you,

Jason Mihalic
