THE ANNUAL PICNIC IS JUNE 9TH, 11:00 AM TO 2:00 OR 3:00 PM

The Grand Canyon Historical Society will be holding its annual pot luck picnic at Shoshone Point, South Rim, located a few miles east of the Visitors Center along the Highway to Desert View. We encourage members to attend so we can have lots of goodies to eat and drinks to drink and enjoy the view. We will be presenting the Pioneer award and other service awards. Shoshone Point parking area is extremely limited. We ask that you walk the half mile or so to the point. But there will be volunteer vehicles will help ferry supplies and people as needed.

THE OL PIONEER AND NEWSLETTER

We currently do not have a President, a Vice President (who is also the outings coordinator), or an Editor. We are working on the problem, but the "Ol Pioneer" and the Bulletin newsletter may be unavailable for some time to come. The board apologies to the membership for the lack of these products. We are also looking into the possibility of a website newsletter or email newsletter. These documents will not be forthcoming until we find such persons to help get these documents and procedures established.

THE ANNUAL NORTH RIM CAMPOUT— JULY 21 AT JACOB LAKE

John Azar is planning on the historical tour of the Jacob Lake area and showing films of "River Runners of the Grand Canyon." The evening meal will be a dutch oven cookout and any other goodies folks bring. RSVP to John Azar: tontowalk2003@yahoo.com

The Community Service project for August will not take place this year. We need a committee to organize it for future years. Anyone interested,?

TOROWEAP GEOLOGY CAMPOUT—SEPTEMBER 15-16, 2007

The Toroweap Campout is planned as a geological show and tell by George Billingsley. Please RSVP to George Billingsley to help in planning purposes. gors@bml.com Those interested in going will be informed on details as plans develop.
