

GRAND CANYON HISTORICAL SOCIETY PIONEER AWARD

Presented with Appreciation to

DON LAGO

For

- His numerous contributions of original research into previously unknown or largely overlooked aspects of Grand Canyon history;
- His unfailing support in providing articles for publication in the Grand Canyon Historical Society Bulletin and the Ol' Pioneer;
- His significant findings of obscure historical stories, such as the Apollo Astronauts hiking in the Canyon and the impressions of early or famous visitors to the Canyon;
- His ability to find historical facts about the Canyon by searching various neglected sources of history;
- His publications and books including "Canyon of Dreams" and "Grand Canyon Trivia";
- And his research in river use studies and assisting the Grand Canyon Field Institute doing archaeology surveys.

Presented this 19th Day of July 2014 at Shoshone Point,

Grand Canyon National Park
